## *Lactose Free Wegmans Brand Products*

This list is maintained by Consumer Affairs, Quality Assurance for Wegmans Brand. It is updated regularly. For further information visit us at [www.wegmans.com](http://www.wegmans.com), email us at [comments@wegmans.com](mailto:comments@wegmans.com), or call 1-800-Wegmans, extension 5920.

### **Recheck labels and ingredient statements every time you purchase.**

This list is not for use by people with milk allergies. A milk allergy is different than lactose intolerance. See your health care provider if you suspect you have a milk allergy. For more information on milk allergies contact the Food Allergy and Anaphylaxis Network (FAAN) at [www.foodallergy.org](http://www.foodallergy.org).

To the best of our knowledge the following Wegmans Brand items are lactose-free. Wegmans works with our suppliers to investigate and verify the lactose status of Wegmans Brand Products. A food item can appear to be lactose-free but not be listed because our supplier could not guarantee a lactose-free claim. Products are identified as lactose-free based on the product as packaged. You will need to verify the lactose status of any additional ingredients used in preparation.
