

MEXICAN

Reheat your Taco Party

(Keep refrigerated until 50 minutes before serving time)

Conventional Oven directions:

1. Preheat oven to 375 degrees F
2. Remove lids from all containers, cover with foil.
3. Place protein (Chicken, Steak), Black Beans and Mexican Rice in oven for 30-40 minutes until heated through, or until internal temperature reaches 135 degrees. Caution, pans will be hot!
4. Open bag of flour tortillas, wrap in clean kitchen cloth or paper towels, microwave 40 seconds, place on serving plate and keep wrapped.

Microwave Directions:

1. To microwave, food must be transferred to your own microwave safe containers. Aluminum pans are NOT microwaveable.
2. Microwave protein (Chicken, Steak) for 4 minutes on high, stirring halfway through. Keep warm.
3. Follow the same process for Black Beans and Mexican Rice
4. Open bag of flour tortillas, wrap in clean kitchen cloth or paper towels, microwave 40 seconds, place on serving plate and keep wrapped.

Set your Table*

Set table with red tablecloth -do not place hot pans directly on cloth – it may melt.
For easy serving place plates at beginning of buffet line and napkins/silverware at end.

Follow the photo diagram for food layout

1. Start with tortillas (small tongs)
2. Then rice, beans and protein (large spoons)-protect your table, pans will be hot.
3. Next shredded cheese and lettuce (small tongs)
4. Place chips in a serving bowl (large tongs)
5. Set out all condiments (small spoons)
