CHANGING LIVES, CREATING SUCCESS

At Wegmans, we’ve long believed that we can only achieve our goals if we fulfill the needs of our people.

In this spirit, we created the Wegmans Scholarship Program to assist our people in their pursuit of higher education.

Since 1984, we have awarded over $115 million dollars to more than 36,500 employees through the Scholarship Program.

Currently over 4,500 employees are receiving scholarship funds from Wegmans.
